

**PRINCIPAL PROVISIONS  
of the  
PARK EMPLOYEES' ANNUITY and BENEFIT FUND**

**A summary of Fund benefits in effect  
for the employees of the  
Chicago Park District**

The Park Employees' and Retirement Board Employees' Annuity and Benefit Fund (the "Fund") was established by the Illinois Legislature in June of 1919 and has added numerous provisions since its inception.

The official plan document that legally governs the operation of the Fund is found in the Illinois Compiled Statutes, Act 5 of Chapter 40, Article 12. A copy of the law is on file in the Fund office. If there is any variance between Article 12 and this summary, Article 12 will control.

**MEMBERSHIP.** Any person who becomes an employee of the Chicago Park District (the “CPD”) is required to be a member of the Fund as a condition of employment, provided they are employed in a position, that requires the person to work 6 months or more per calendar year. An employee hired before January 1, 1992, may purchase the 6-month pre-entry period after 10 years of service or after attaining age 60, whichever first occurs. In 2010, the Illinois Legislature created a two Tier Benefit System. Employees hired prior to January 1, 2011, or who were contributing members of a reciprocal public pension fund prior to January 1, 2011, are Tier I employees. Employees hired on or after January 1, 2011, AND WHO WERE NOT CONTRIBUTING MEMBERS IN THIS FUND OR A RECIPROCAL FUND PRIOR TO JANUARY 1, 2011, are Tier II Employees. On August 6, 2021, the Illinois Governor signed House Bill 417 creating a third tier, Tier III, of pension benefits for employees hired after January 1, 2022. Any new hire with the Chicago Park District that has contributed to any designated Reciprocal Retirement System before January 1, 2022, may be eligible for the benefit plan under Tier I or Tier II. ***Please note that for all purposes the term “spouse” refers to marriage spouse and civil union spouse.***

**CONTRIBUTIONS BY EMPLOYEES.** For Tier 1 and Tier II membership, a contribution of 9% is deducted from a participant’s gross salary. 7% is allocated to an employee for retirement pension; 1% for the surviving spouse's pension; 1% for the post retirement increase in the retirement pension. For Tier III membership, a contribution of 11% is deducted from a participant’s gross salary. 9% is allocated to an employee for retirement pension; 1% for the surviving spouse’s pension; 1% for the post retirement increase in the retirement pension. A deduction of \$3.60 per month is also taken for the Single Sum Death Benefit. Tier II and Tier III employees have a limit on their pensionable salaries that was set by law, and which is increased by the Consumer Price Index-U (CPI-U). The salary limitation for 2022 is \$119,892.41.

Employee contributions are excluded from the employee's gross taxable income. Federal income tax is deferred until the employee receives retirement benefits, obtains a refund after withdrawal from service or upon the death of an employee or an annuitant. Retirement and surviving spouse's pensions are not currently subject to Illinois state income tax.

**CONTRIBUTIONS BY EMPLOYER.** Beginning in 2022, the Chicago Park District (CPD) will be required to make contributions calculated on an actuarial basis to ensure the Fund is 100% funded within 35 years. This means that an independent actuary will determine the amount the CPD would contribute to the Fund on an annual basis based upon a number of financial factors such as the Fund’s assets, liabilities, investment returns, participant life expectancy and other economic and demographic factors. The revenue from the CPD contributions along with the employee contributions and income from investments, are used to cover the cost of benefits provided by the Fund.

**REFUND OF CONTRIBUTIONS.** An employee who terminates CPD employment before qualifying for a pension is entitled to a refund of employee contributions only, without interest. For Tier 1 employees, the refund is payable to an employee who withdraws before age 55, regardless of length of service. It is also payable to an employee who withdraws after age 55 and before age 60 with less than 10 years of service and to an employee who withdraws at age 60 or over with less than 5 years of service. For Tier II and Tier III employees, the refund is payable to an employee who withdraws before age 62 and age 60, respectively, regardless of length of service. It is also payable to an employee who withdraws with less than 10 years of service, regardless of age. An employee not meeting these conditions has no right to a refund and must accept a pension.

**MEMBERSHIP RECORD.** Each participant **must** file with the Fund, an accurate membership record showing date and place of birth, marital status and family information, such as name of spouse and names and dates of births of children. PLEASE UPDATE YOUR RECORDS IN THE EVENT OF YOUR MARRIAGE, DIVORCE OR BIRTH OF A CHILD.

**BENEFICIARY.** A participant **must** name a beneficiary or beneficiaries (Designation of Beneficiary Form) to receive a refund of the employee's pension contributions and/or the Single Sum Death Benefit in the event of death. This form may be obtained from the office of the Fund or the Fund’s website. PLEASE UPDATE YOUR RECORDS IN THE EVENT OF YOUR MARRIAGE, DIVORCE, OR THE DEATH OF YOUR BENEFICIARY.

**COMPUTATION OF SERVICE CREDIT.** Generally, 9 months or more of service during a year (January 1 to December 31) are counted as one year of service; 6 to 8 months inclusive,  $\frac{3}{4}$  of a year; 3 to 5 months inclusive,  $\frac{1}{2}$  of a year; less than 3 months,  $\frac{1}{4}$  of a year; with 15 days or more during a month counted as a month of service. A month of service consists of working at least 45 hours per month.

**RETIREMENT PENSION.** An employee must submit an application for pension with the Fund in order to receive any benefits. An employee, who is a member of the Fund, is entitled to a retirement pension based on a fixed benefit formula. The current percentage rate that applies to all credited years of service is 2.4%, and this accrual rate applies to all retirements (or termination from service) on or after December 31, 2003. The 2.4% will be multiplied by the member's years of service to formulate an overall pension rate (the maximum is 80% with 33.5 years of service). This total percentage (years of service multiplied by 2.4%) will be applied to the "final average salary".

The following illustrates the specific pension requirements:

**SURVIVING SPOUSE'S PENSION.** A surviving spouse is the employee's spouse on the date of retirement and/or death, if death occurs prior to retirement. The surviving spouse is entitled to a pension upon the death of an employee while in service or upon retirement. If the surviving spouse remarries before attaining age 55, the spousal annuity is canceled. Based on the Tier of a participant/annuitant, the specifics of the surviving spousal pension are as follows:

**CHILDREN'S PENSION.** Regardless of Tier status, unmarried children under the age of 18 of a deceased employee having at least 2 years of service are entitled to a pension. If one parent is living, the pension is \$100.00 per month. If no parent survives, the pension for each child is \$150.00 per month. The total amount payable to a surviving spouse and/or children may not exceed 60% of the employee's final salary except where the employee's death resulted from death on duty.

**SINGLE SUM DEATH BENEFIT.** A lump sum death benefit is payable upon the death of an employee in service. The amount payable is as follows:

- \$ 3,000 benefit during the first year of membership
- \$ 4,000 benefit during the second year of membership
- \$ 5,000 benefit during the third year of membership
- \$ 6,000 benefit during the fourth through ninth year of membership
- \$10,000 maximum benefit after 10 or more years of membership

Upon retirement, the \$10,000 maximum benefit is reduced to \$6,000 if death occurs during the first year of retirement. Thereafter, it is reduced by \$1,500 for each year or fraction of a year while on retirement but shall not be less than \$3,000. Upon retirement with less than 10 years of service, the death benefit payable is the amount shown for the years of membership less \$1,500 for each year or fraction of a year while on retirement but shall never be less than \$3,000. Please note, by law no death benefit is payable unless the employee's retirement application was made within 60 days from the date of withdrawal from service.

The death benefit is payable to a surviving spouse. If there is no surviving spouse, it is payable to a designated beneficiary. If there is neither a surviving spouse nor a designated beneficiary, it is payable to the employee's/annuitant's estate.

**ORDINARY DISABILITY BENEFIT.** This benefit is payable to an employee medically certified as disabled after eight (8) consecutive days' absence without pay, who was in actual service or salary status prior to the disability. Payment begins subsequent to the completion of the required form from the first day of sickness. The payment is 45% of salary. In addition, a credit is made to the employee's pension account of an amount equal to the pension contribution the employee would have made while working. The benefit is payable for a period of time not to exceed  $\frac{1}{4}$  of the employee's credited service or 5 years, whichever is less. (Note: An employee who is out of pay status for more than 30 days and reenters service will not qualify for ordinary or duty disability benefits for 6 months unless he or she was qualified to receive the ordinary or duty disability benefit before he or she left pay status).

**DUTY DISABILITY BENEFITS.** Employees who become disabled as a direct result of an injury on duty with the CPD are entitled to a duty disability benefit of 75% of salary. Employees are entitled to the duty disability benefit from the first day of absence without pay. The duty disability benefit is offset by any total temporary disability benefits received under the Workers' Compensation Act. The portion of the disability benefit payable by the Fund will be suspended upon the filing of an application for adjustment of claim with the Illinois Workers' Compensation Commission. If, upon resolution of the application, the Workers' Compensation payments exceed the 75% duty disability benefit, then the portion of the duty disability benefit will not be paid by the Fund and the employee will be required to repay any duty disability benefits received from the Fund. If, upon resolution of the application, the Workers' Compensation payments do not exceed the 75% duty disability benefit, then the portion of the duty disability benefit will be paid by the Fund. In addition, the pension contribution account is credited with the amount the employee would have contributed while at work. The employee shall also receive an additional benefit of \$20 per month for each eligible minor child. The combined payments together with the pension credit may not exceed the monthly salary rate at date of disability. This benefit is payable during disability until the employee attains age 65 if disability is incurred before age 60 or for 5 years if disability is incurred at age 60 or older.

**DUTY DISABILITY DEATH BENEFIT.** Upon the death of an employee resulting from an accident incurred in the performance of duty, the surviving spouse is entitled to a benefit of 50% of salary and a monthly payment of \$100.00 is made for each unmarried minor child under 18. The combined payments to a family may not exceed 75% of the employee's final salary, reduced by Workers' Compensation payments. Pension credits for the regular pension to a spouse continue to accumulate during the period of payment of the duty disability death benefit.

**PENSION CREDIT FOR OTHER RETIREMENT SYSTEMS, MILITARY SERVICE OR FEDERAL GOVERNMENT SERVICE.** An employee who has accumulated pension credit with another retirement system covered by the State of Illinois' Reciprocal Act may make use of this credit for pension purposes. In addition, an employee may purchase additional pension credit for military service and/or periods of employment by the United States Federal Government. Contact the Fund Office for additional information regarding these credits.

**QUALIFIED ILLINOIS DOMESTIC RELATIONS ORDER ("QILDRO").** Effective July 1, 1999, the Fund recognizes QILDRO's that permit an alternate payee to receive a portion of a member's pension benefits. Specific rules must be followed to properly implement a QILDRO. Contact the Fund Office for additional information regarding the processing of a QILDRO.
