Request for Competitive Proposal: Systematic Trend Following Strategies**

I. OVERVIEW

The Board of Trustees (“Board”) of the Park Employees' and Retirement Board Employees' Annuity and Benefit Fund of Chicago (the “Fund”) hereby issues a request for competitive proposals (“RFP”) from Investment Advisory firms interested in providing Systematic Trend Following Strategies (the “Respondents”). In addition, the Board welcomes applicants to submit custom solutions featuring trend and long volatility. All forms needed for submitting a response to this RFP are available on the Fund’s website at <https://www.chicagoparkpension.org/request-for-proposal/> and the consultant’s website at <https://meketa.com/manager-center/request-for-proposal/>. **Respondents to this RFP are responsible for monitoring the Fund’s website for information pertaining to the RFP, while the RFP is outstanding.**

It is the public policy of the State of Illinois to encourage the Board to increase the racial, ethnic, and gender diversity of its fiduciaries to the greatest extent feasible within the bounds of financial and fiduciary prudence. In furtherance of this public policy and the requirements of the Illinois Pension Code, it is the Board’s goal to use its best efforts to increase the racial, ethnic, and gender diversity of its fiduciaries, including its external investment managers (4 ILCS 5/1-109.1). Consistent with that goal, the Board will actively consider emerging investment managers and investment managers that are minority-owned businesses, women-owned businesses and businesses owned by a person with a disability (“MWDBE”) that meet the required capabilities for this RFP. If a Respondent is an emerging investment manager or an MWDBE investment manager and meets the criteria in the RFP, then that Respondent shall receive an invitation by the Board to present as a finalist. If there are multiple emerging or MWDBE Respondents that meet the criteria set forth in the RFP, then the Board may choose the most qualified firm or firms to present.

II. RFP TIMELINE AND MANDATE SIZE

- A. Date of Issue: July 8, 2022
- B. RFP Submission Due Date: August 8, 2022
- C. Mandate Size: Approximately \$5 million

III. QUIET PERIOD

As set forth in Section C(11) of the Fund’s Procurement Policy for Investment Advisers, dated April 16, 2020 (“Procurement Policy”), which can be found on the Fund’s website (<https://www.chicagoparkpension.org/about-us/policies/>), there shall be a quiet period to ensure that the selection process is efficient and fair. During the quiet period, all Board members and Fund Staff, to the extent practical, shall refrain from communicating with Respondents regarding any product or service offered by the candidate that is related to the search. During the quiet period, no fiduciary or Fund Staff, including the Fund’s Consultant Meketa Investment Group, Inc. (“Consultant”), shall accept meals, travel, lodging, entertainment, or any other good or service of value from any candidate or from any firm that is reasonably known to be interested in being a candidate. If any Board member or Fund Staff member is contacted by a candidate during the

quiet period about a matter relating to the pending selection, the Board member or Fund Staff member shall refer the candidate to the Consultant or to the Executive Director. All authority related to the search and selection process shall be exercised solely by the Board as a whole and not by individual Board members. While the quiet period does not prevent Board approved meetings, conference attendance, or communications with an existing service provider that is a candidate, discussion related to the pending selection shall be avoided during those activities. Candidates may be disqualified from a search process for a willful violation of this quiet period.

Notwithstanding the foregoing, the Consultant, counsel for the Fund, and the Fund's Staff may conduct discussions with candidates to: (A) Determine in greater detail a Respondent's qualifications and clarify any responses; and (B) Negotiate the various terms of the contract, including fees.

IV. RFP PROCEDURES

The Fund will post the RFP and all related materials on the Fund's website (<https://www.chicagoparkpension.org/request-for-proposal/>) at least 30 days before the response to the RFP is due. Qualified candidates that do not receive an RFP from the Fund or the Fund's Consultant are encouraged to compete and may obtain the RFP document from the Fund's website. Neither this RFP nor any response to this RFP should be construed as a legal offer.

All interested candidates must submit their responses in accordance with the proposal submission instructions below. The Fund reserves the right to reject any or all proposals submitted and to solicit additional proposals. All material submitted in response to the RFP will become the property of the Fund. The Fund is not responsible for any costs incurred by the Respondents in responding to this RFP.

The Board of Trustees' designee and the Fund's Consultant will review each response for content, quality and compliance with the RFP's requirements. The Fund will compile a list of all Respondents to the RFP, identifying which responses are complete and incomplete.

If it becomes necessary to revise any part of the RFP, or if additional information is necessary for a clarification of provisions within this RFP, prior to the due date for proposals, a supplement will be provided to all known Respondents and posted on the Fund's website. If a supplement is necessary, the Fund may extend the due date and time of the proposals to accommodate any additional information requirements.

Respondents are advised that the Fund is a public body subject to, and proposal materials are subject to, the Illinois Freedom of Information Act (5 ILCS 140). After completion of the RFP, selection by the Fund and successful negotiation of a contract, if any, all proposals may be viewed and copied by any member of the public, including news agencies and competitors. Respondents claiming a statutory exception to the Illinois Freedom of Information Act for information within the Respondents' proposals must identify relevant language as confidential and identify in the email transmission of the proposal whether confidential information is included. Further, each page of confidential documentation must be labeled as such. The Respondent must also specify which statutory exemption applies for each piece of confidential information. The Freedom of Information Act can be found at the Illinois General Assembly's website (<http://www.ilga.gov/>).

The Fund reserves the right to make determinations of confidentiality. If the Fund disagrees with a Respondent's confidential designation, it may either reject the proposal or discuss its interpretation of the exemptions with the Respondent. If agreement can be reached, the proposal will be considered. If agreement cannot be reached, the Fund will remove the proposal from consideration.

Candidates will be evaluated pursuant to the evaluation factors set forth in Section C(9) of the Fund's Procurement Policy. Following review and evaluation of complete responses from interested Respondents, the field of candidates will be narrowed to a smaller list of the most highly qualified Respondents. The Board's designee and Consultant may conduct discussions with candidates to determine in greater detail a candidate's qualifications and clarify any responses.

Following any discussions with the selected Respondents, the Board's designee and Consultant will prepare Respondent recommendations for approval by the Board. The finalists may appear before the Board of Trustees to present their firms' qualifications. The Board may accept or modify the recommendation and make a selection, if appropriate.

The Fund will conduct the RFP process in accordance with applicable provisions of the Illinois Pension Code, the applicable portions of the State Officials and Employees Ethics Act, and the Fund's Procurement Policy.

No Respondent shall retain a person or entity to influence (i) the outcome of an investment decision or (ii) the procurement of investment advice or services of the Fund for compensation, contingent in whole or in part upon the decision or procurement.
