The Retirement Board (“Board”) of the Park Employees’ and Retirement Board Employees’ Annuity and Benefit Fund of Chicago (the “Fund”) issues this Request for Proposal, also referred to as a Search for Investment Consultant (“RFP”) from qualified firms to provide investment consultant services (“Investment Consultant Candidates”). All forms needed for submitting a response to this RFP are available on the Fund’s website at <https://www.chicagoparkpension.org/request-for-proposal/>. **Investment Consultant Candidates are responsible for monitoring the Fund’s website for information pertaining to the RFP, while the RFP is outstanding.**

It is the public policy of the State of Illinois to encourage the Board to increase the racial, ethnic, and gender diversity of its fiduciaries to the greatest extent feasible within the bounds of financial and fiduciary prudence. In furtherance of this public policy and the requirements of the Illinois Pension Code, it is the Board’s goal to use its best efforts to increase the racial, ethnic, and gender diversity of its fiduciaries. If an Investment Consultant Candidate is an MWDBE and meets the criteria in the RFP, then that Investment Consultant Candidate shall receive an invitation by the Board to present as a finalist. If there are multiple emerging or MWDBE Investment Consultant Candidates that meet the criteria set forth in the RFP, then the Board may choose the most qualified firm or firms to present.

Established in 1919, the Fund is a defined benefit, public pension fund that provides disability and retirement benefits to certain employees, and their survivors and beneficiaries, of the Chicago Park District. The Fund had total assets under management of \$424,921,537 as of 3/31/26.

The Fund is not responsible for any costs incurred by the Investment Consultant Candidates in responding to this RFP.

If it becomes necessary to revise any part of the RFP, or if additional information is necessary for a clarification of provisions within this RFP, prior to the due date for proposals, a supplement will be provided to all known Investment Consultant Candidates and posted on the Fund's website. If a supplement is necessary, the Fund may extend the due date and time of the proposals to accommodate any additional information requirements.

Investment Consultant Candidates are advised that the Fund is a public body subject to, and proposal materials are subject to, the Illinois Freedom of Information Act (5 ILCS 140). After completion of the RFP, selection by the Fund and successful negotiation of a contract, if any, all proposals may be viewed and copied by any member of the public, including news agencies and competitors. Investment Consultant Candidates claiming a statutory exception to the Illinois Freedom of Information Act for information within the Investment Consultant Candidate's proposals must identify relevant language as confidential and identify in the email transmission of the proposal whether confidential information is included. Further, each page of confidential documentation must be labeled as such. Investment Consultant Candidates must also specify which statutory exemption applies for each piece of confidential information. The Freedom of Information Act can be found at the Illinois General Assembly's website (<http://www.ilga.gov/>).

The Fund reserves the right to make determinations of confidentiality. If the Fund disagrees with a Investment Consultant Candidate's confidential designation, it may either reject the proposal or discuss its interpretation of the exemptions with the Investment Consultant Candidates. If agreement can be reached, the proposal will be considered. If agreement cannot be reached, the Fund will remove the proposal from consideration.

- E. All proposals become the property of the Fund and will not be returned to the Investment Consultant Candidate. The Fund reserves the right to retain all proposals submitted and to use any ideas in a proposal, regardless of whether the Investment Consultant Candidate is ultimately selected as the Fund's Investment Consultant. Submission of a proposal indicates acceptance of the conditions contained in this RFP Quiet Period.

As set forth in Section C.9 of the Fund's Policy for Procurement of Investment Consultants, dated December 21, 2023 ("Procurement Policy"), which can be found on the Fund's website (<https://www.chicagoparkpension.org/about-us/policies/>), there shall be a quiet period to ensure that the process of selecting an Investment Consultant is efficient and fair. The quiet period shall commence with the posting of the RFP and end when the parties have executed the Investment Consultant Agreement. During the quiet period, no fiduciary or Fund staff shall accept meals, travel, lodging, entertainment, or any other good or service of value from any Investment Consultant Candidate. All authority related to the search and selection process shall be exercised solely by the Board as a whole and not by individual Board members. If any Board member or Fund staff member is contacted by an Investment Consultant Candidate during the quiet period about a matter relating to the pending selection, the Board member or Fund staff member shall refer the candidate to the Executive Director. While the quiet period does not prevent Board approved meetings, conference attendance, or communications with an incumbent Investment Consultant, discussion related to the pending selection shall be avoided during those activities. An Investment Consultant Candidate may be disqualified from a search process for a willful violation of this quiet period.

Notwithstanding the foregoing, the Board through any designated Trustee, the Executive Director counsel, and Staff may conduct discussions with Investment Consultant Candidates to: (A) Determine in greater detail an Investment Consultant Candidate's
